

# SELF-DISCOVERY:

Before your community tours take a moment to think about what matters most.

**1** Why am I considering this move?

---

---

**2** What are my non-negotiables? (Things I can't live without)

---

---

**3** What are nice-to-haves I can be flexible on?

---

---

**4** Does the community location matter to me? (Close to family, doctors, or favorite places)

---

---

**5** What lifestyle do I want? (Quiet and peaceful or active and social?)

---

---

**6** How long before I am ready to downsize?
