

Because the best time to plan for the future is before you need to.

The Truth about Staying Put: Preparing your Home for the Long Haul

Key Takeaways:

What ideas or insights from today's talk resonated most with you?

1. Your Home:

What parts of my home might need a few thoughtful updates to keep me comfortable and confident here for years to come? What are some easy changes I need to make now?

2. Your Health & Care:

If my health needs changed, how easy would it be to get to appointments or therapy — and would travel distance or logistics make that harder over time?

3. Your Social Connections & Community:

Who are the people I regularly see or talk to — and how can I stay connected and supported as life changes?

What Is an Education Partner Workshop—and Why Should You Attend?

Education Partner Workshops offer an in-depth look at a single topic, guided by one of our trusted experts. These smaller, more focused gatherings allow for detailed discussion, real-life examples, and direct answers to your questions. Think of them as concentrated learning sessions filled with practical takeaways.

Join us at an upcoming workshop and experience the difference for yourself!
